Lt. To write a p. Monday in role as a character

I do not think I can cope with this any more. All I could feel was butterflies in my stomach about the curse. What have I done to deserve this curse? Every time I gaze through the window bubbles of anger grow inside me. Every night ^{when I} look out, I ^{can} trapped in within four grey huge, grey towers and four huge, grey walls.

As the sun rises in can not everything comes to life, the birds started singing, the keepers started scolding, and I ^{was} stretched down in a bed during nothing.

What fantastic language choices Alex, you have really thought about the character.

Dear residents of Camelot,

I am writing this in the hope that ~~at least~~ ^{at least} one kind soul will remember me and my story. Before I am gone, I wish to know that my story has been shared, as I am in deep sadness.

The silent isle inbowers me, and I am stuck in these your gray walls and your gray towers. I weave all day and night, as I have nothing else to do in my tower of solitude. A curse is ^{upon} me ~~in~~, so I cannot leave. Alas, I know not what the curse may be, but I have my blue mirror, through which I can see Camelot and all its people. The knights come riding two and two, ^{and} I am forever reminded of my ~~solitude~~ loneliness here.

I am half sick of shadows, and I can take it no longer. Finally, I have escaped these your gray walls, and am ready to sing my last song. ^{pass} Thank you for reading this, as I shall die with the pleasure of knowing that my story has ^{been} remembered.

Goodbye, and ~~not~~ remember me as
The Lady of ~~Shalott~~ Shalott
with so it is with all the rest of the letter

Sliper Daisy, you have written in the style of the poet and really understood the sadness of the character.

LI: To use subordinating conjunctions (because, although, so).

How did the Battle of Trafalgar start?

First of Napoleon and France became they
became stronger that wanted a wife for
them a Napoleon would to visit Britain
wanted to control the water.

Next the boats hit him because Nelson
was sent to help the first.

After that Nelson made a plan
so he can win.

Finally Nelson used his back up
so he can split the ships.

Well done you have used temporal conjunctions to order
and subordinating conjunctions.

Make sure your writing is all in the correct tense.

for question

As I sit and weave ^I getting depressed more every
minute of every hour of every day. I just can not
stop thinking about my curse. Who gave it to me?
Why did they give it to me. Why me?
~~tempted~~ to go to the window; I sat on my
~~poor~~ hands to stop me

Through my mirror blue I see lovers lately dead
but ~~also~~ ~~black~~ ~~thorned~~ ~~spirits~~. Many ~~beats~~ ~~drissed~~
in ~~ruby~~ red clothes on the ground with their

But look at me stuck in this tower ~~creeping~~ ~~and~~ ~~mourning~~

Oh how I wish I could be out there
having fun but look at me stuck in these ~~for~~
~~gray~~ walls and ~~gray~~ ~~gray~~ towers. Oh how I
wish for a loyal ^{life} ~~right~~ to take me away to share
my life with and to be friends with. ~~for~~
~~all~~ eternity.
