LI: To be able to write a letter in role:

Aunt Millie's Farm
Honey Lane,
Surey.

Thursday 4 June 2008

Dear Petie,

I feel like I've been abandoned ever?
since I got here. I also feel bored from
hitting the rope swing, that was really
annoying because it kept coming back and
hitting me. Stupid Swing!
Every^{thing} here is stupid!

Aunt Millie's sandwiches are really
bad. They taste like rotten eggs that are
green. Yuck! But Mum's sandwiches are
really nice. Yum! I'd rather have Mum's
than Aunt Millie's. Mum's sandwiches are better
than anyone else's. Even you know that Petie.

I feel like I've been walking up and down
the road and around the lake for hours. For
the last three days, my life has been turned
upside down. The hours go by as slowly as they
possibly can. I wish I stayed with you now
Petie. It's boring here because I have to share a
bedroom with my cousin Bubba!

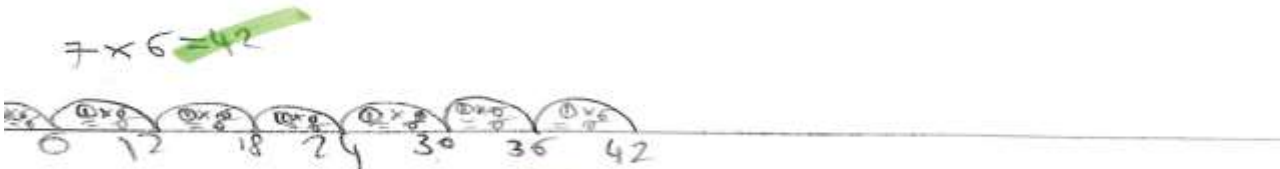

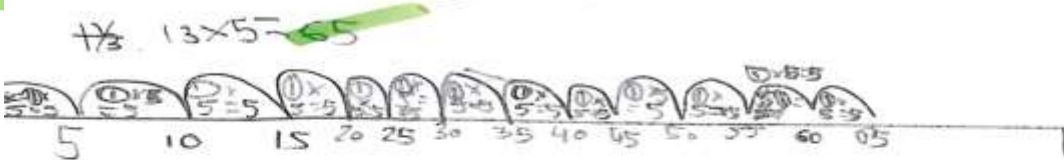

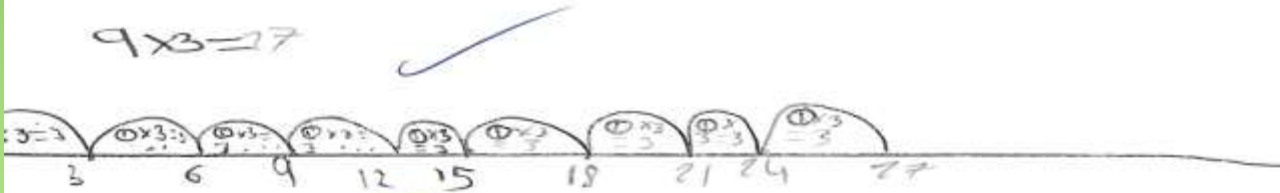

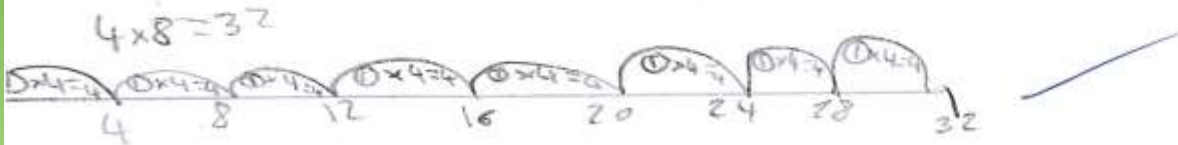

From your best friend Tom

7.

Letter written in role. Well done

6.15

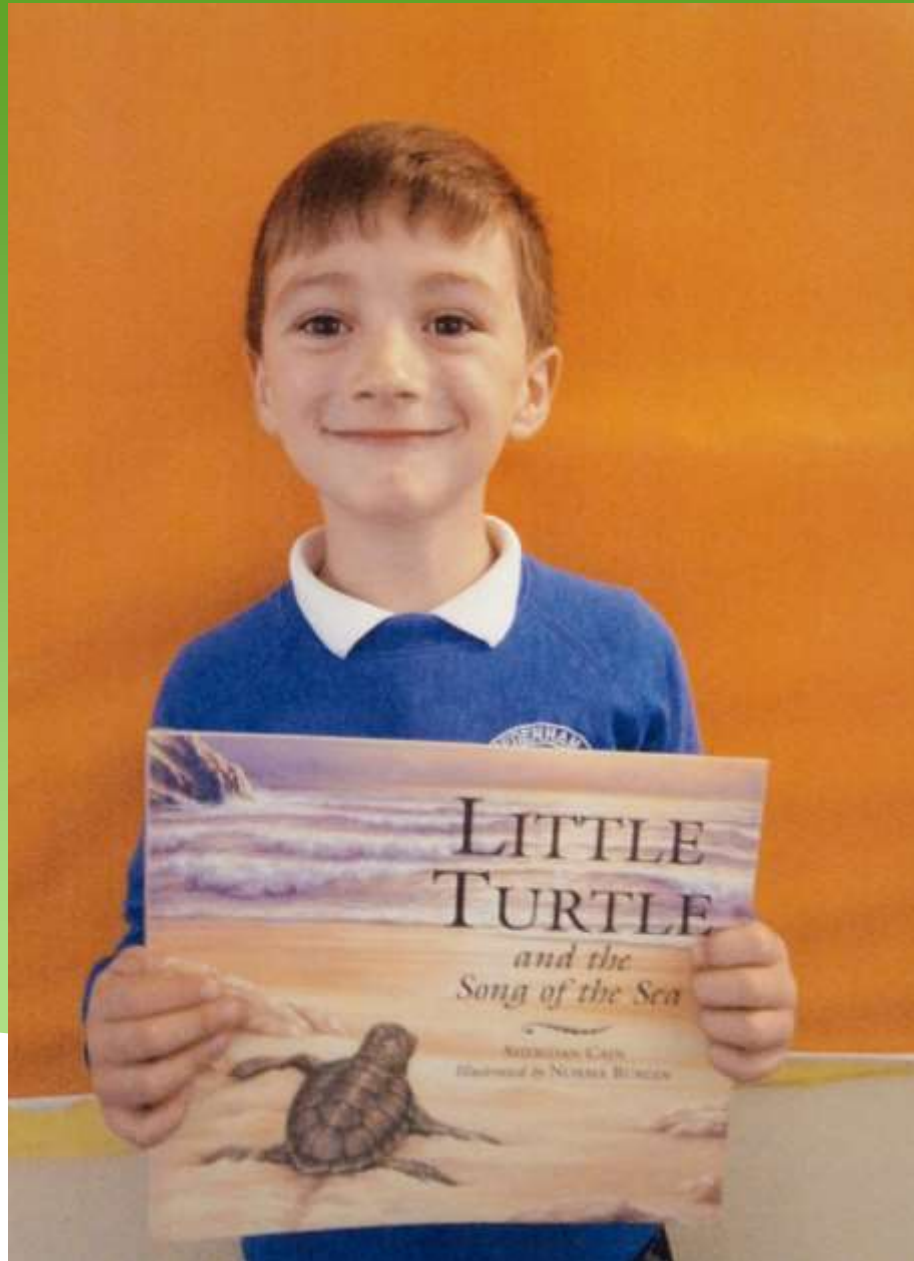

To use a number line strategy to solve multiplication.

great strategy

Try a larger jump to make it more efficient.

LI: To write a story

One day a little boy called Arnie was in a
for so walking, the time path, on his way to
Arnie met the Arnie's sister and their

stood on a grassy field and Arnie
to his mum and said "mum mum"

^{there is} there is a egg on the path, so the two
of them got to wait the egg was
hit the egg was not their it had mood

so Arnie and his mum were refer^{over}
so look for it and then Arnie spotted
something ^{what} what could it be? was it the egg?

It was not it had a crack in it Arnie
picked it up and Arnie's mum said "Put it

down but Arnie just ignored his mum
and then something happened

so Arnie's mum ^{turned} ^{around} turned around
Arnie ^{could} could not see his mum any
wait and then Arnie ^{turned} turned around

The end.

Well done! You wrote as a character

twinkl www.twinkl.co.uk Speech marks

Cats

Cats like ^{important} to play with ^{toys} things that ~~are~~ moving. They come home to get food ~~because~~ their hungry. They like to explore outside ~~because~~ they like to make new friends.

They only like their own space. Some times people pick the cats up and start to stroke them and then they start to run. Where they go for the best?

They go in litter trays ^{or} outside on grass because if they done it on the carpet ^{the} people would Trea in it. Cats only like to sleep in warm places because if they sleep in hard places they will get damaged. Why ^{were} people pick cats like? Pet cats like in warm home instead of being alone but wild cats sleep out side

Ex / use a conjunction instead

because if you let them in they will injure you.

Diet?

Cats are meat eaters because they eat lots of meat for their work

break fast @ dinner. Cats some times eat fish if they get given it. Cats also eat ~~can~~ birds they don't eat human food because it's too warm food.

You have really thought about using conjunctions to add detail.

15.10.19

I. To use a number line strategy to solve multiplication.

$$6 \times 3 = 18$$

$$8 \times 4 = 32$$

$$9 \times 3 = 27$$

Well done GL KS.

larger numbers. more efficient jumps. GL
