LI: To be able to describe where Italy is in the world.

LI: To be able to use prepositional language.

Did you know Italy is shaped like a football boot on a globe or a map. Italy has a capital city called Rome. It is famous for the landmarks called the Leaning tower of Pisa. The furthest country away from Italy is Iceland. Italy is in the south of Europe. Sicily is near the south west of Italy. Vatican city and San Marino are the smallest countries near Italy. Italy's seas are the Mediterranean sea, the Ionian sea and the Adriatic sea. Italy's borders are Switzerland, France, Austria and Slovenia, Tunisia and Algeria. Africa is to the south west of Italy. To the east of Italy is Croatia, Slovenia, Serbia, and Bosnia and Herzegovina.

• The first pyramids were built about 2600 B.C.

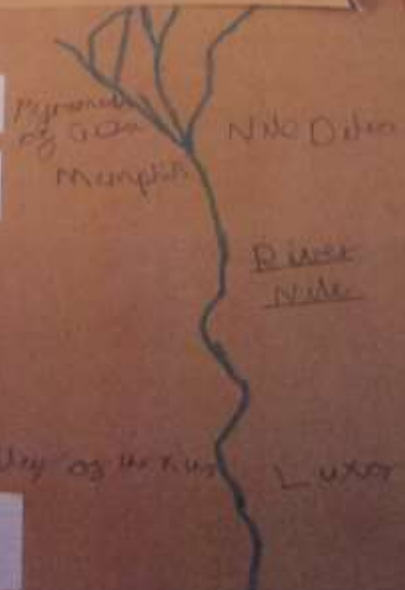

• The Great Pyramid was built over 4000 years ago. It is the only one of the seven wonders of the world that still exists.

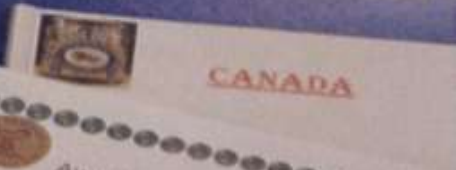

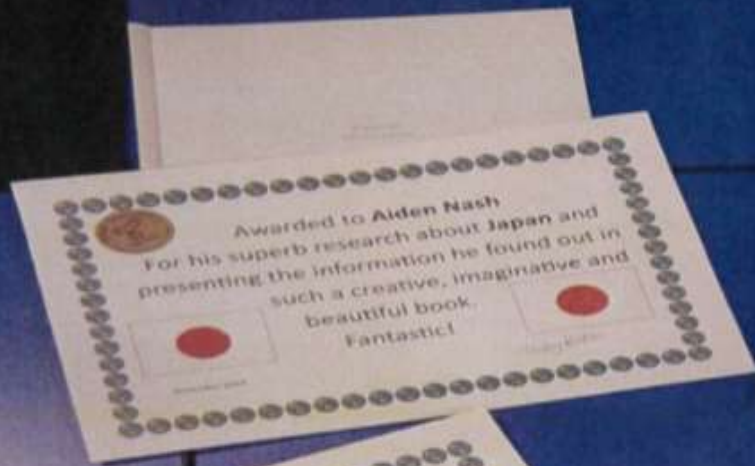

The Sphinx has a body of a lion and a head of a man. It guards the pyramids of Giza.

The great pyramids were built for the pharaohs. They were made of stone and brick.

The pyramids were built not by slaves but by ordinary Egyptians working for their king.
