

Elizabeth  
Oliver Mills  
Seals Class Charter

Blake

Ryan

We want our classroom to be a safe and happy place so we promise to:

- We will respect each other
- We will persevere with our learning
- We will respect school property
- We will listen to the adults and children who are talking
- We will not call out
- We will put our hands up
- We will be sensible in and around the school grounds
- We will sit properly on our chairs
- We will help each other with our learning
- We will not fiddle when sat at our tables so that we can show respect and listen!
- We will respect everyone's opinion
- We will represent our school by always being respectful when visiting other places
- We will be helpful to others
- We will leave our toys at home unless a teacher says we can bring them in
