## Key Stage 1 Trip to Bournemouth Beach

Dear Parents / Carers,

Next term, our topic is 'Games through Time'. As part of the topic the children will be designing and building old arcade games and writing non-fiction leaflets to advertise them. We have also been studying the physical and human features of landscapes this term. To support with both these areas of learning we would like to take the children on a trip to Bournemouth beach for the day on Tuesday 24<sup>th</sup> May 16. We have chosen this beach as it is sandy, has space to go if it should rain and fits our criteria for studying the different seaside games/activities. During the day we will study the physical and human features of the seaside and visit the arcade to look at the different types of games. The children will also have an opportunity to play on the beach and have an ice-cream. We will be taking at least 5 adults per class to ensure your child's safety. We have run this trip several times in the past and it has been a very enjoyable day with lots of learning.

Due to the distance and to ensure we have enough time to complete the planned activities, we will be leaving school promptly at 8.30 and aim to arrive back at school no later than 3.30pm, traffic permitting. The children will need a packed lunch, a spare change of clothes, swimwear and a towel. If you would like to give you child spending money for an ice cream/arcade you are more than welcome but we ask no more than £3 please.

If you would like to accompany us on the trip, please speak to your class teacher. However it will be first come, first served due to limitations with the size of the coach.

The cost of the trip will be £10 which will cover the cost of the coach and an ice cream. If you have any concerns or questions, please do not hesitate to ask us.

Many thanks,

Mrs Tomkins, Mrs Croucher, Miss Creasey and Mrs Werren
