Dear Parents / Carers,

As you probably know, we have managed to secure peripatetic music lessons for the next academic year, which enables us to offer a wide range of instruments: guitar, ukulele, keyboard, violin, and flute.

We will be able to continue substantially subsidising the cost of the instrumental lessons, and it will **remain** at £36 per term as it has been for the last few years. This would be payable termly and in advance by all instrumentalists. If instrumentalists' fees are not received by the third week of your child beginning their lessons, lessons will cease until full payment is received and if this is not made by half term then another child will be offered the place.

Obviously your child will need an instrument to practice on – we do have a limited number of instruments available for loan, please ask us, but it is always best if your child can have his/her own.

Children learning keyboards are not required to bring their keyboard to school but all other instrumentalists **MUST** remember to bring their instruments to school on the day of their lessons.

Please complete the slip attached to indicate whether your child would like to have music lessons and return it no later than **Monday 18th July 2016**. Places for each instrument will be allocated on a first come first served basis and we will let you know if your child has been allocated a place and when his/her lessons are as soon as we can.

Thanks

Yours sincerely,
