19th September 2016

Dear Parents / Carers

As you know we had provisionally booked dates for the **Year 6 residential** visit to the **Hampshire Mountain Centre, Argoed Lwyd in Wales for 2017**. This year we booked two weeks due to the number of Year 6 pupils, one week for each school.

For Bedenham we booked 15th May to 19th May and for Holbrook we booked 5th to 9th June; however the Mountain Centre have asked if we could change dates.

The Mountain Centre are now offering us **5th to 9th June (Holbrook)** and **3rd to 7th July (Bedenham)**. Currently, across the two schools we have 46 children who have booked places which means it would be more sensible, and indeed cost-effective, for us to operate the residential across the two schools as we did in June 2016. If we were to run a combined residential we would go 5th to 9th June.

We need to confirm dates and numbers by the end of this week at the latest. So, if you have **not** booked a place for your child and s/he wants to attend we need the £50 deposit by Thursday 22nd September at the very latest – please refer to the website OR call into the school office for the original letter and form required to book a place.

IF we do have a combined event the cost for Bedenham will be reduced by the additional £40 needed for coach travel to and from Wales as we will be able to use minibuses as there are sufficient staff at Holbrook trained to drive the minibuses

For those of you who have already booked places we need you to confirm that the change of date does not mean you want to withdraw your child – **please complete the form below confirming you still want the place.**

Yours sincerely

Tracy Potter

Bedenham Primary School, Year 6 residential to Hampshire Mountain Centre, Argoed Lwyd, Wales

I / we have already booked a place for (child's name) to attend the residential and can confirm that I / we still want the place if:

- a) The date is changed to 3rd to 7th July 2017 (Bedenham ONLY) YES / NO
- b) The date is changed to 5th to 9th June 2017 (Bedenham & Holbrook combined) YES / NO
