Dear Parents

Book Snuggle – Invitation to parents

This year's Year R children have settled into their new school brilliantly and we are all looking forward to a lovely year in Coral Reef Class. Once the children are all full time we will be able to establish our timetable and routines which will include a weekly visit to the school library.

Sharing a library book with children is a lovely way to introduce them to book skills which will help them when they begin to learn to read their own reading books. We encourage you to regularly share books with your child at home and would like to invite you into school for a book snuggle. Please come along and find out more about how children develop their book skills and how to sit and enjoy sharing a book with your child.

If you are interested, please fill in the slip below and we look forward to seeing you on;
