2nd November 2016

Dear Parents / Carers,

As we previously informed you, as a result of changes to assessment procedures, we have decided to change “parents’ evening” arrangements this year for Years 1 through 6. Instead of trying to squeeze enough appointments in after school we are taking a whole day for the meetings as we are hopeful this will enable a more detailed discussion between you and your child’s teacher. At each meeting you will be provided with an assessment sheet with information about your child’s attainment in reading, writing and maths. If at all possible we would like your child to have some involvement in the process, ideally joining you and the teacher for at least part of the discussion.

Year R are going to continue to offer after school appointments!

We have planned parent consultation days for November, March and May – the dates for these have been on our on-line calendar since June and also we sent them out before the end of last academic year, but just in case you have misplaced them:

Additionally, we have decided to join the 21st Century in terms of booking appointments and both schools are moving to an on-line booking system so by the end of this week you will receive a text with a link to the booking system so **you** can book. Due to the ‘assessment changes’ we would REALLY like to see all of you, so we will be ‘nagging’ by text!

Looking forward to seeing you all at the first meetings in November!

Yours sincerely,

Tracy Potter
