Dear Parents/Carers,

As part of our curriculum, the children take part in Sex and Relationships Education (SRE) lessons. Next week, Year 3/4 will be doing their SRE lessons. The two year groups will cover different aspects in the lessons.

Year 3 will be exploring the differences between male and female body parts and naming them. Year 4 will describe the main stages of the human life cycle and the changes that happen as children grow up.

If you have any questions or concerns, please come in and speak to a member of the team.

Many thanks,

The Year 3/4 team.
