Girls Football team

Dear Parents/ Carers,

This year we have been able to enter a team into the girls Year 5/6 football league. To enter the league, a school must have a squad of 9 girls to play each week. As a school, we have those 9 girls who have been training and playing alongside the boy's team since September. However, as the season has 11 games, we are looking to build onto our already competitive squad. Although the league is a Year 5/6 league, there has not been the uptake we were expecting so we are opening up the squad to Year 4.

There are 5 spaces available in the squad and those girls selected for the team will train with the current squad. There may be the opportunity for the 5 selected children to participate in some of the matches. With the league being a year 5/6 league we cannot guarantee that the girls will make an appearance in the league but will definitely gain valuable experience and passion for the game in the hope that the school can once again put a team forward in the future.

If your child is selected to train with the squad, then they will receive a letter of confirmation and will begin training on Tuesday 25th April after half term.

Yours Faithfully

Mr Plow

I would like my child to join the girls football team.

Signed
