16th May 2017

Dear Parents and carers,

I am writing to inform you of an upcoming parental information meeting on E-Safety, including children's use of the internet, the dangers that this can bring and maintaining safety online. It is my hope that such a meeting will provide valuable information to parents and carers whose children socialise and communicate online and who would like information to support keeping their children safe on the internet.

There will be *2 meetings offered* on **Tuesday 23rd May**, beginning at **2:00pm** and repeated **again at 5:00pm**, each lasting approximately 1 hour, with an opportunity for questions, discussion with other parents and a chance to collect resources to help with keeping your child safe online. The meetings will be held in **the Community Room** at Holbrook Primary, with tea / coffee available too.

I hope that this information event will be a very worthwhile and informative and would appreciate the completion of the brief reply slip below in order that we might anticipate numbers for the event.

Yours sincerely,

Mrs Wood
